## Java Full-Stack Developer

Chennai | 7339372547 | jasphinvijayj@gmail.com | LinkedIn | Github | Portfolio

### SUMMARY

Dedicated Java Full Stack Developer with 6 months of hands-on internship experience at Besant Technologies. Proficient in Java, Spring Boot, SQL, and front-end technologies (HTML, CSS, JavaScript). Experienced in building dynamic web applications, integrating RESTful APIs, and managing databases. A collaborative team player with exposure to end-to-end software development.

### INTERNSHIP

#### Java Full-Stack Developer Intern | Besant Technologies, Velachery, Chennai

OCT 2024 - MAR 2025

- Collaborated with senior developers to improve coding skills and understand real-world projects.
- Developed and maintained full-stack web applications using Java, Spring Boot, React, and MySQL.
- Implemented RESTful APIs and enhanced UI to improve performance and user experience.

### TECHNICAL SKILLS

- Backend: Java, Spring Boot, JDBC, Servlets, JSP, CRUD Operations.
- Frontend: HTML5, CSS3, Basic JavaScript, React.
- Database: MySQL, SQL (Joins, Sub Queries, Constraints)
- Tools: Eclipse, VS Code, Spring Tool Suite, MySQL Workbench, Postman.

### PROJECTS

#### 1) Online Banking System (Java, Spring Boot, MySQL, REST API, Postman)

- Built RESTful APIs for user registration, account detail retrieval, and account deletion, with secure operations for deposits, withdrawals, and fund transfers.
- Developed a transaction history module for financial tracking and ensured robust backend integration with Postman for API testing.

#### 2) Student Management System (Java, Servlets, JSP, SQL, MySQL, JDBC, HTML5, CSS3)

- Developed a CRUD-based system for user registration, student listing, search by Roll No, update, and delete operations using JDBC for secure database handling.
- Designed a responsive UI with HTML5 and CSS3, and deployed the application on Apache Tomcat for efficient server-side processing.

#### 3) Pet Adoption Website - "Adopt & Love" (HTML, CSS, JavaScript, Responsive Design)

- Built a fully responsive pet adoption website with interactive UI, multi-page structure, and user-friendly forms using HTML, CSS, and JavaScript.
- Implemented responsive design with media queries to ensure optimal display across all device sizes, along with interactive forms for adoption requests.

### EDUCATION

#### Bachelor of Technology in Information Technology

Agni College of Technology, 2020 - 2024

CGPA: 7.8

#### Higher Secondary Certificate (HSC)

Oxford Matric Hr. Sec. School, 2019 - 2020

Percentage: 57%

#### Secondary School Leaving Certificate (SSLC)

Bethlehem Matric Hr. Sec. School, 2017 - 2018

Percentage: 66%
